JAMNA /TOP CAREER Global Scholarship in Indonesia

Japan Asia Medical Nurse Association (HQ Nakagawa-ku, Nagoya, Aichi. Chairman, [岩本1] Hirohisa Kawahara, hereinafter JAMNA) which offers various support to Japanese and Asian nationals contributing for development in medical/nursing field in Asia, has announced business partnership with Fourth Valley Concierge Corporation (HQ Chiyoda-ku, Tokyo, CEO Yohei Shibasaki, hereinafter FVC) , which develops a wide variety of global business with their worldwide network of young top talents, such as global recruitment support and globalization of higher educational institutions, to provide a JAMNA/TOP CAREER Global Scholarship* to students studying at the Faculty of Medicine, Nursing, and Public Health.

JAMNA has been providing various support to foreign nationals in the medical and nursing fields under the EPA (Economic Partnership Agreement) established in 2008. In order to further expand the activities to improve the educational and medical standards of Asian nations, we wish to **contribute in cultivating the environment in order for Japan's high medical standards to widely diffuse in Asian Nations** through building a local network in the emerging nations as well as make early approach to the local top class talents.

The JAMNA/TOP CAREER Global Scholarship will be part of such supporting activities. The announcement and promotional activities for the scholarship will start in Indonesia from January 2016, and on-campus information session will be held at the University of Indonesia (Universitas Indonesia) in mid-March, 2016. The selection process is planned to take place from late March to early April and the scholarship is scheduled to be awarded to the selected students in late April.

JAMNA and FVC wish for a fulfilling academic life of the Indonesian students as well as contributing to the international society through this scholarship.

【About TOP CAREER Global Scholarship】

FVC organizes the scholarship from companies and organizations, taking the responsibility of the operations such as communication with the target universities and authorities, promotion towards students, and management of candidates. Companies and organizations will be offering scholarships to the students to receive education from the top class universities in their local countries. This scholarship has been founded to nurture and support students from the emerging nations.
